DESIGN EXPERIENCE

Marketing Assistant – University Recreation

James Madison University – Harrisonburg, VA | Aug 2025 - Present

- Serve as lead designer/marketer for the Fitness & Nutrition program, collaborating with the program's client through regular meetings to align on strategy, content, and design direction.
- Develop and execute marketing campaigns across digital and print platforms.
- Design signage, social posts, and digital displays; provide event coverage and generate content showcasing health and wellness events.
- Manage projects and workflows in ClickUp, ensuring team tasks are organized and deadlines are met.

Design Editor – The Bluestone Yearbook

James Madison University – Harrisonburg, VA | Aug 2025 - Present

- Direct the annual style guide and visual theme to ensure design consistency across all sections.
- Lead a team of 5 staff designers as an executive board member, reviewing layouts and providing feedback.
- Mentor staff designers on layout, branding, and visual storytelling.

Graphic Design Intern

TekSynap Corporation – Reston, VA | May 2025 - Aug 2025

- Created social media templates for recruiting posts and designed a team introduction graphic, developing reusable assets aligned with brand identity.
Conducted research on typography, layout, and logo usage; contributed to a 30+ page brand guideline redesign improving internal and external consistency.
- Supported UX/UI enhancements for a company website redesign by analyzing navigation and content flow.
- Presented design concepts, brand guideline updates, and social media strategy ideas to stakeholders, ensuring all work aligned with their vision and goals.
